

LaunchPoint and the **National Panhellenic Conference** are excited to provide Recruitment Counselor Training Online to help your College Panhellenic community grow and thrive!

This program will help your recruitment counselors better understand what is expected of them, gain confidence in their role and become better leaders through an online experience they can access on-demand via computer, tablet or smartphone.

COURSES AND QUIZZES:

The program consists of five online training courses that individuals can watch on-demand in the convenience of their home, campus or favorite coffee shop. At the conclusion of each course, participants complete a brief quiz to assess understanding.

ADDITIONAL EDUCATION & ACTIVITIES:

Since online learning is only one part of a quality educational program, we also offer in-person training resources. With these resources, your campus can take the general education of the online program and tailor it to create a completely customized experience for your unique Panhellenic community.
