

Sample Extension Presentation and Campus Visit Feedback Forms

As part of the College Panhellenic extension process, the Panhellenic Extension Committee is responsible for making a recommendation to the College Panhellenic Council regarding which organization to invite to establish a new chapter. Feedback forms are an efficient way to obtain information from all stakeholders who met with the organization's representatives during their visit. Two sample feedback forms are included below: 1) for attendees of the community presentation and 2) for administrators. The forms can be adapted to a Google form, Survey Monkey or other electronic media.
