

## 2023 College Panhellenic Calendar

This calendar includes important NPC deadlines and initiatives as well as federally recognized commemorative observances by the [United States Library of Congress](https://www.loc.gov/). We encourage College Panhellenics to incorporate other events or celebrations that are important to members and the community into this calendar.

Additionally, make sure when scheduling recruitment or other events, your Panhellenic is scheduling events during times that will not conflict with major holidays per the **Respect for Diversity of Religious and Cultural Holidays (2007, 2021) Best Practice**.
