

Membership Recruitment Acceptance Binding Agreement (MRABA) Education Logistics

Pre-Recruitment

- Educate potential new members (PNMs) and caregivers about the MRABA on the College Panhellenic's and/or Fraternity/Sorority Life website, social media accounts, and during first-year student and transfer student orientation sessions.
- Post the MRABA on the recruitment software message board or the registration landing/confirmation page.
- Email the [NPC MRABA explainer video](#) to all PNMs who registered before the first day of recruitment.

Recruitment Counselor Training

- Train and educate recruitment counselors on the MRABA.
 - Review the MRABA, walk through the script (found in the NPC Manual of Information), and watch the NPC MRABA video with all recruitment counselors.
 - Use the [MRABA Final Preferences](#) resources for additional education.
- Empower recruitment counselors to refer PNMs to the fraternity/sorority life staff if they receive questions they need help with.

PNM Orientation

- Review the MRABA in a large group meeting with all PNMs and recruitment counselors by playing the MRABA [NPC MRABA explainer video](#).
- Recruitment counselors should review MRABA in small groups.
 - Please remind recruitment counselors that they do not need to know the answer to every question asked by a PNM. They can say, "Let me get back to you," then go ask an expert and then respond to the PNM.

Preference Round

- *After preference round schedules are posted and before the preference round begins*
 - Recruitment counselors should re-review the MRABA in small groups.
 - Provide time for questions and answers.
 - Email the [NPC MRABA explainer video](#) to all PNMs who are still in the process.
- *After preference round*
 - All PNMs must watch the [NPC MRABA script video](#) in large or small groups before signing the MRABA.
 - Provide blank paper copies for PNM's to review while watching the script video.
