

Recruitment Registration Landing Page

Introduction + Welcome

This section provides a sample narrative for the overall sorority experience. It should be a warm welcome from the College Panhellenic. Make this unique to your campus.

Welcome to the College Panhellenic's primary recruitment registration. We are glad you found us. If you want to feel connected, supported and encouraged, sorority life is for you! Registering for primary recruitment is the first step to finding your home in the sorority community on campus.

Here at [school] Panhellenic, we believe everyone has a purpose to discover, possibilities to explore, needs people to thrive, and a place to belong.

We want to educate and equip you to embark on your journey as a potential new member (PNM). You should feel confident as you participate in recruitment. Check out the sections below to learn more about sorority membership and involvement at [school]!

Once a potential new member registers, have an email from the Panhellenic president or recruitment officer welcoming her to the recruitment experience and share additional information.

Vital Information

The following sections suggest specific information a College Panhellenic should share with PNMs before registering for recruitment.

Recruitment Round Information

- Explain your campus' primary recruitment experience.
- Share the entire recruitment schedule and the details for each recruitment round.
 - For example, if you host a Philanthropy Round, explain to PNMs that the round will be focused on each chapter sharing information about the inter/national and/or local philanthropy(ies) they support.
- Communicate general conversations had during each round of recruitment.
- Link to a more specific calendar of recruitment events.

Membership Recruitment Acceptance Binding Agreement (MRABA)

- Educate PNMs on the MRABA at the beginning of the process.
 - Link the MRABA to your recruitment registration so PNMs and their parents or caregivers can learn more about the document PNMs must sign at the end of the recruitment process to receive a bid and join an NPC sorority.
 - Link the MRABA script video for PNMs and their caregivers to review.

Time Commitments

- It is important to share any required events for PNMs during primary recruitment and what to expect as a new member of a Panhellenic organization.
 - PNM orientation and meetings with recruitment counselors
 - Chapter new member expectations for attendance at events such as new member meetings, chapter meetings, programs, philanthropy and service events
- Provide as much information as possible regarding a new member's first term in the sorority community.

Financial Obligations and Membership Costs

- Each chapter differs in its financial structure.
- List the round that chapters will cover the financial transparency information during recruitment.
- Give an overview of what fees and dues cover, like activities, events and daily operations.
- Share the detailed financial documents as early as possible.

Academic Expectations

- Before a sorority member, they are a student first.
- Most chapters have academic expectations and share as much academic information as possible.
- Explain that each chapter or inter/national organization sets the academic requirements for membership.
- Communicate that there is no GPA requirement to register for Panhellenic recruitment.

Housing (if applicable)

- If there are any housing expectations and commitments PNMs should know, share those here.
- Detail the first opportunity to live in a sorority facility and a general procedure.

Sample Registration Questions

Demographics

- Name (including phonetic pronunciation of name)
- Phone
- Email
- Student ID
- Hometown, Home State or Home Country
- Accommodations needed (if any);
 - *College Panhellenic should list prepared accommodations that can be provided for PNMs. Partner with campus disability services if needed.*
 - *If you are an individual with a disability or need additional assistance or accommodations, please let us know below. Or feel free to contact *insert email*.*
