

NPC Partner Program Overview 2023-24

The National Panhellenic Conference (NPC) Partner Program helps fulfill our mission as the premier advocacy and support organization for the advancement of the sorority experience by connecting key individuals within our 26 inter/national member organizations with businesses that work in the interfraternal space and are interested in advocating for the sorority experience.

Eligibility

You are eligible to participate in the NPC Partner Program if your company manufactures, sells, distributes or provides supplies, products or services to women's-only social sororities or their members. See Page 3 for our 2023-24 NPC Partner Program benefits by level of partnership.

Uncertain whether the NPC Partner Program is right for your company? Do you...

- Have existing business relationships with sororities?
- Want to expand the reach of your products or services in the sorority market?
- Have a product or service that can be used by individual collegiate or alumnae members, chapters or inter/national organizations?
- Work with organizations to help with fundraising initiatives?
- Have a great idea that could help advance the sorority experience?
- Want an easier way to contact organizations with nearly 400,000 undergraduate members in more than 3,300 collegiate chapters on nearly 670 college and university campuses and individual undergraduate members? Or, want to reach Alumnae Panhellenic associations, sorority alumnae chapters or individual alumnae?

If you answered "yes" to any of the questions above, becoming a NPC partner is a good fit.

The partner year begins July 1, 2023 and concludes June 30, 2024. Throughout the year, partners, at all levels, have many opportunities to engage with member organization leaders, College Panhellenic leaders and Alumnae Panhellenic leaders. Featured opportunities include advertising to create **brand recognition/visibility**, promotion of **products/services** and **access to key decision makers**. An additional benefit of being a partner is the recognition of being an **advocate** for the sorority experience. All of the above are achieved through multiple platforms including NPC-hosted events as outlined in this document.

Advertising, Promotion and Access Opportunities

NPC Partner status includes:

- Use of the NPC partner logo on your promotional materials or website.

- Placement of your company logo on the NPC website (includes link to your website).
- Placement of your company name, logo and maximum 50-word description in the Partner Directory shared electronically twice yearly with NPC member organization leadership and decision makers.
- Promotion of your company on NPC social media channels.*
- Recognition of your company in the NPC Update sent to NPC family.*
- Subscription to the NPC Interfraternal Inform e-newsletter.
- Opportunity to sponsor virtual and in-person events.*
- Access to a dedicated NPC leadership staff liaison*

**Opportunities vary by partner level.*

NPC Event Opportunities

Traditionally, NPC hosts two flagship events per year: the NPC Annual Conference and College Panhellenic Academy.

The **NPC Annual Conference**, Oct. 19-21, 2023, will be held in Dallas, TX. We expect 150 attendees including leaders from NPC member organizations (inter/national presidents, executive directors, delegates and chief panhellenic officers) to be in attendance. The event provides exhibit space for partners, as well as invitation to large group programming and meals for partner attendees.

College Panhellenic Academy is scheduled for Jan. 26-27, 2024 in Indianapolis. Participants at this event include 275+ newly elected College Panhellenic officers and fraternity/sorority advisors from campuses across North America. The event provides exhibit space for partners.

Invitation and free registration to attend in-person events (for Bronze level and up):

- Access to attendees during NPC-hosted events: College Panhellenic Academy and the Annual Conference.
- Exhibit space for partners at the Annual Conference, Oct. 19-21, 2023, and College Panhellenic Academy, Jan. 26-27, 2024. Please note that space is limited and depending on the number of partners joining, exhibit opportunities may be available on a first come basis.
- Pre-event access to NPC-hosted event attendees (via email).
- Company logo displayed virtually on NPC-hosted event materials/signage.

We are also continuing our virtual partner updates this year—two NPC-hosted information meetings for our partners to attend and hear updates from NPC’s chief executive officer about the sorority community and NPC’s efforts to advocate for and support the sorority experience. The hour-long sessions will include a Q&A. Dates and times TBA.
