## **NPC Recognizes Alumnae Panhellenics with Awards for 2022-23**

**INDIANAPOLIS** – The National Panhellenic Conference (NPC), the largest advocacy and support organization for women’s sorority experience, is pleased to announce the Alumnae Panhellenic Associations who recognized with the Citation of Merit and Programming Excellence awards for 2022-23.

Alumnae Panhellenic Associations are comprised of alumnae from different NPC member organizations and engage in community-based activities to promote the sorority experience. NPC annually recognizes Alumnae Panhellenics for their outstanding achievements. NPC area coordinators, who work directly with Alumnae Panhellenics, evaluate the Alumnae Panhellenics and nominate them for awards based on their programming accomplishments, work to build positive relationships with their communities, efforts to promote the sorority experience, submission of the Alumnae Panhellenic annual report and continued administration of their Alumnae Panhellenic.

“We are in awe of the commitment, resourcefulness and creativity that our Alumnae Panhellenic Associations undertake to promote the sorority experience to not only our Alumnae communities but to the young women of today embarking on their undergraduate experiences in college.” said Amy Zimmer, 2023-25 Alumnae Panhellenics Committee chair. “We applaud all of the work, dedication, Panhellenic sisterhood, programming, and communication efforts that you all develop and execute each year. We are honored to celebrate these 61 Alumnae Panhellenics and their members for their distinction and achievements in their work and dedication to supporting our Panhellenic communities. We wish all our Alumnae Panhellenic groups the best as they head into the new biennium and hope they continue to strive to advance the sorority experience.”
