Updates to NPC Unanimous Agreements and Policies

This fall, the NPC Council of Delegates added, removed and modified a number of Unanimous Agreements and policies. While a new edition of the NPC Manual of Information reflecting these changes will not be published online until January, we are sharing a handout that outlines the changes made. You can find a summary of all of the policy changes [here](#).

If you have any questions, please consult your NPC Alumnae Panhellenic area coordinator and/or the [Alumnae Panhellenics staff liaison](#) in the NPC office.

Alumnae Panhellenic Dues - Past Due Reminder

Dues invoices were posted in FS Central the first week of August and were due to the NPC office on Oct. 1. If your Panhellenic still needs to pay, we ask that you do so by the end of this month. Alumnae Panhellenic dues are \$50 for your association. If you have questions about your invoice, please contact the NPC office at 317-872-3185 or via email at npccentral@npcwomen.org.

Payment may be made by credit card online via your statement in FS Central or via check made payable to the National Panhellenic Conference and sent to the NPC office at [12730 Meeting House Road, Suite 200, Carmel, IN 46032](https://www.npcwomen.org/12730-Meeting-House-Road-Suite-200-Carmel-IN-46032).

NPC Annual Conference Recap

NPC hosted its Annual Conference at the Embassy Suites Plainfield Indianapolis Airport Oct. 17-19, 2024. More than 170 member organization leaders, board members, partners and other guests gathered to discuss topics of mutual interest and build relationships. Event programming was divided into large group education sessions, peer group meetings and other activities, such as time with business representatives in the NPC Partner Program. A regular meeting of the Council of Delegates preceded the conference.

2023-25 NPC Chair Kelly Beck welcomed attendees to the NPC Annual Conference during the opening session on Thursday afternoon and said, "This Conference is an invaluable opportunity for us to come together, not only to explore the critical issues affecting our industry, but also to connect and collaborate on the challenges and opportunities

that shape the growth and sustainability of our communities." She also introduced an updated [mission, vision and values](#) for NPC.

Topics of large group education sessions included crisis communications, reimagining recruitment terminology, responding to campus overreach and updates from the Amplifying Sorority Campaign.

FS Central - Update Your Officers

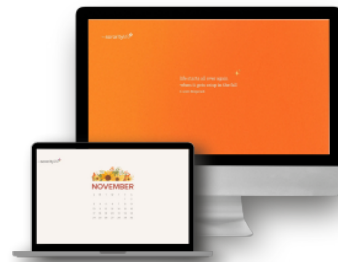

As your association transitions to new officers, please make sure to update FS Central with the correct information. Having updated officers on FS Central also ensures that all your officers receive communication from NPC (including this newsletter!) so please make sure to keep those up to date. If you are unsure of how to navigate FS Central, you can reach out to the NPC office at npccentral@npcwomen.org to be connected with an NPC staff member for assistance.
