### Calendar Reminders

*For all College Panhellenic Officers*

- April is **Advisor Appreciation Month**:  
This is a time to reflect on the advisors who inspire us in our sorority lives. Did your chapter advisor show you the meaning of lifelong membership? Thank her! Did your fraternity/sorority advisor show you the big Panhellenic picture? Thank them! Has your NPC area advisor guided you to help your Panhellenic make progress? Let them know! Whoever has impacted your sorority life, take time this April to say thanks.
  - You can find resources for Advisor Appreciation Month on the [NPC website](#).
- April is also **Sexual Assault Awareness Month**: NPC encourages College Panhellenic Associations and sorority women to lead and participate in initiatives to prevent, educate and ultimately end sexual violence on campus. We know that 1 in 4 college-aged women will experience some form of sexual violence while attending college, and many of you may have been affected personally or know others who have been. This month, please take time to care for yourself and those around you.

### **College Panhellenic Awards**

*For all College Panhellenic officers*

**The College Panhellenic Awards for 2025-26 are open!** Award applications will remain open until the end of the day on May 1 (11:59 p.m. Eastern).

The award categories are academic innovation, access, belonging and community impact, leadership, recruitment, marketing and operations.

[Apply Here](#)

Your College Panhellenic can apply for standalone awards in these categories, but in order to be eligible for the Excellence Award, one must apply to all six and be awarded all six.

In order to be eligible for College Panhellenic Awards your College Panhellenic must:

- Adhere to NPC Unanimous Agreements and policies.
- Have paid 2025-26 NPC dues by Oct. 1, 2025.
- Have submitted its NPC Annual Report (all five sections) by May 1.
- Have uploaded a current copy of its governing documents (including bylaws and recruitment rules) in FS Central.

Tips to consider when applying for awards:

- Review the [success indicators](#) for each award.
- Delegate an award category to each officer.
- Be as detailed as possible.
- Review your answers with your area advisor.
- Practice submitting a fake award application. Have your Panhellenic advisor review your application to provide feedback.

## Complete the NPC Annual Report by May 1

*For all College Panhellenic presidents and fraternity/sorority advisors*

The College Panhellenic annual reports for 2025-26 are **live** and can be found in FS Central under your Panhellenic's profile, then under "reporting," and then under "submit reports."

There are five reports, and they can be saved intermittently before completion if necessary. **All five reports must be complete by May 1, and in particular if your College Panhellenic wishes to qualify for awards.** College Panhellenic Annual Reports are extremely helpful to NPC and other College Panhellenics. Annual report responses allow NPC to provide adequate resources to your College Panhellenic and understand larger trending concerns.

If you have questions about completing the annual report, we recommend you review [this short video on how to access and complete annual reports](#) or contact your NPC area advisor or an [NPC staff member](#).

## **Apply for an Academic Excellence Programming Grant by May 15**

*For College Panhellenic presidents, programming and scholarship officers*

Through a generous donation from Phi Mu Fraternity to create this fund, the NPC Foundation offers grants to College Panhellenics in support of creating a climate in which there is a constant presence and appreciation of academic excellence. We hope these grants will help you defray the cost of this programming and to be more creative in how you support academic pursuits of Panhellenic women on your campus. Applications for grants are accepted on a rolling basis with fall (Oct. 15) and spring (May 15) review dates.

After the review committee meets, applicants will be notified in June and November, respectively. To be eligible the College Panhellenic must have paid NPC dues by Oct. 1, 2025 and have completed the prior year's Annual Reports in FS Central. You can [apply here](#) and learn more about [the process here](#).

## **Recruitment Planning - April**

*For all College Panhellenic presidents, recruitment officers and fraternity/sorority advisors*

Use the [Recruitment Monthly Task List](#) to determine the top tasks to complete each month, depending on how far away primary recruitment is.

 **Recruitment tip of the month:**

April is ideal for low-pressure learning. With fewer immediate recruitment deadlines, Panhellenic members can focus on understanding recruitment rules/policies, Panhellenic values and best practices.

Try this:

- Host a casual recruitment info session or refresher training.
- Review common misconceptions PNMs have, and how to address them through education.
- Encourage members to ask questions now so they feel prepared later.
