Welcome, New Officers! 🎉

Congratulations on being elected to your Panhellenic officer role. We are excited to connect with you during your officer term to cultivate your growth and experience personal flourishing! Being a Panhellenic officer is an extremely rewarding experience, and we want you to know that NPC is always here to help. Here are some quick ways to get started.

1. This newsletter will be sent the first week of each month, so watch for it. Each newsletter highlights resources you need to know as an officer, educational training opportunities and important updates from NPC.
2. An NPC area advisor, an NPC area advisor coordinator and an NPC staff member support you in various ways. Connect with your area advisor by accessing FS Central. If you are not already connected to FS Central, [please fill this form](#) out and an NPC staff member will add you.
3. We encourage you to look through [NPC's extensive resource library](#). If you are looking for something specific and cannot find it, please

contact your area advisor or a Panhellenics team member. You can find your designated staff member on FS Central. We look forward to working with you and happy new year!

College Panhellenic Delegate Orientation Now Open!

For all College Panhellenic officers and fraternity/sorority advisors

Registration for this new NPC program is available to access on FS Central now through March 15. College Panhellenic Delegate Orientation is NPC's dynamic, must-attend educational experience designed to empower chapter delegates with the latest Panhellenic insights and leadership tools. Each attendee will gain access to two sections: first, self-paced modules that will be available on demand and second, a live session, facilitated by an NPC expert, to allow for dialogue and discussion among chapter delegates. This session will focus on your specific community and relies on the buy-in of all your delegates to make lasting change on your community.

The College Panhellenic Delegate Orientation costs \$15 per participant.

You can register on FS Central by following the [instructions here for this two-step process](#).

You can find out more about the program on [our website](#) and see testimonials from Panhellenic officers who participated in our pilot program. We hope you make this a part of your Panhellenic leadership development journey this year! Any questions about the program can be directed to education@npcwomen.org.

Hand Bid Matching Training

For College Panhellenic recruitment officers and fraternity/sorority advisors

NPC has prepared a comprehensive online training that walks through the hand bid matching process for any College Panhellenics that do not use release figure methodology (RFM). This training is intended to be completed beforehand so that everyone has time to prepare for the process. Feel free to share this training with chapter advisors who also support hand bid matching. You can access the training [here](#).

Recruitment Planning - January

For all College Panhellenic presidents, recruitment officers and fraternity/sorority advisors

This section highlights the top tasks to complete each month, depending on how far away primary recruitment is. Refer to the [Recruitment Monthly Task List](#) for a complete list of monthly recruitment tasks.

Recruitment tip of the month:

Use January to realign your recruitment message with what PNMs are actually experiencing right now.

Students return from winter break with fresh perspectives, new social priorities and a clearer sense of what they want from campus life.

Whether your community has deferred recruitment in January or is gearing up for

primary fall recruitment, this month is the perfect time to listen to what current students are talking about. Such as, belonging, academics, financial concerns and social fit to ensure your Panhellenic story reflects those realities.

Calendar Reminders

For all College Panhellenic officers

- February is **Black History Month**: Find ways that your sorority community can actively participate, celebrate and recognize Black History Month. You can learn more about Black History Month, its origins and why it is celebrated in February [here](#). Consider incorporating the following into your programming:
 - Invite a guest speaker to your College Panhellenic meeting to speak on a selected topic. For example, a professor from your African American Studies department could speak on notable women in Black history.
 - Organize a book club. Reading notable works from Black authors can be a meaningful way for individuals to celebrate and recognize Black History Month.
 - Attend and promote Black History Month events on your campus and in your community. Share information about events with members and encourage chapters and sorority women to attend programs.
- February is **NPC Month of the Scholar**:
 - Each year, NPC celebrates the Month of the Scholar in February to honor the core value of scholarship for every NPC member organization and College Panhellenic. We've developed a [toolkit](#) with four messages (one for each week of February) that you can tailor to your Panhellenic. We also will be highlighting Month of the Scholar on the NPC and TheSororityLife.com social media accounts. We encourage you and your Panhellenic community to like and share our posts to help amplify these messages.
