2026-28 Biennium Updates

The 2026-28 biennium for NPC volunteers will begin on July 1, 2026. Your Alumnae Panhellenic will receive communication from NPC in June to confirm the contact information for your area coordinator, the volunteer that directly supports your Alumnae Panhellenic. Whether your area coordinator is returning or you have a new point of contact, we are greatly looking forward to the next two years of Alumnae Panhellenic support!

2025-26 Alumnae Panhellenic Annual Report

The 2025-26 Annual Report was due on May 1, 2026. If your Alumnae Panhellenic did not complete the Annual Report on time, you are still able to access the report and fill out the information on FS Central. NPC uses the information in the Annual Report to assess the need for new resources and support that our Alumnae Panhellenics Committee offers. A [preview of the report is available on the NPC website](#). If you have any questions please contact your NPC area coordinator.

Requests for NPC to Attend Local Events

Over the last year, more requests have come to the NPC office for staff or volunteers to attend local Alumnae Panhellenic events. To make sure we can best celebrate with your group, the following guidelines have been created for Alumnae Panhellenics requesting NPC staff or volunteers to attend an event:

- Provide as much notice as possible for the event. The NPC staff have varied schedules depending on the time of year, and having notice of invitations assists with our planning.
- If your event is an in-person event, any travel and accommodations would need to be covered by the Alumnae Panhellenic.
- For both in-person and virtual meetings, a detailed agenda of the event including any topics you'd like NPC to speak about including the purpose for attendance should be included in the invitation.

All requests can be made by emailing npccentral@npcwomen.org.

FS Central - Update Your Officers

As your association transitions to new officers, please make sure to update FS Central with the correct information. Having updated officers on FS Central also ensures that all your officers receive communication from NPC (including this newsletter!) If you are unsure of how to navigate FS Central, you can reach out to the NPC office at npccentral@npcwomen.org to be connected with an NPC staff member for assistance.
