College Panhellenic Recruitment Reminders

As College Panhellenics prepare for fall primary recruitment, some College Panhellenics near you may ask for assistance with primary recruitment. One way that you can assist with primary recruitment as an Alumnae Panhellenic Association is by helping with MRABA signing. **If asked to help with MRABA signing, make sure to review the [MRABA Resource folder](#), as some things have changed with the process in the past few years.**

As always, [The Sorority Life](#) is an excellent resource for potential new members (PNMs) and their families as they approach recruitment season. PNMs can subscribe to monthly information about the sorority experience, connect with their future or current College Panhellenic council and more.
